**Patrolling at SNSLSC – What's in a patrol:**

- Each patrol is rostered for six (6) patrols across the season as evenly as we could manage. Volunteers are required for Christmas and Easter Patrols
- Each patrol is made up of a minimum of six (6) active members, who are proficient and financial. Ideally your patrol has 10 patrolling members.
- Each patrol has a Patrol Captain, a Vice Captain (or two) and where possible members with the following awards: ARTC (or ART Aid), Senior First Aid Certificate, Spinal Management and Pain Management.
- In the week preceding your patrol a SMS and/or email will be sent to you, reminding you of your obligation for the coming weekend.

**Patrolling at SNSLSC – Expectations of our patrol members:**

- Patrol members shall complete proficiency and rostered patrols (or suitably arranged swaps) before 31 December to avoid membership restrictions and competition ineligibility
- Patrol members shall turn up 10 minutes prior to the start of patrol.
- Patrol members shall turn up to patrol ready to patrol – i.e be ready to undertake tower surveillance, roving patrols, water safety and/or rescues if required.
- Patrol members shall wear the correct patrol uniform – patrol shirt, shorts and quartered red and yellow cap.
- Patrol members shall adhere to SLSWA and SNSLSC policies – these are located on the SNSLSC website and in the SLSA Members Portal for reference.
- Patrol members are required to find a patrol swap if they cannot attend a patrol. Please use the Patrol Swaps Facebook page to assist. If a swap cannot be found please notify the Lifesaving Manager and your Patrol Captain at least two (2) days prior to patrol.
- Patrol members shall alert the Patrol Captain to any limitations (i.e injury, pregnancy) and act within these limitations (and any relevant policies).
