SLSA CLUB OFFER

## OUR BACKGROUND

Born in Bondi, Local Supply is an Australian success story. Motivated by a desire to create stylish, high quality sunglasses at an affordable price, the likes of Taylor Swift, Cara Delevingne, Benji Madden and Ben Stiller all choose to wear Local Supply glasses.

Local Supply glasses are made from cast Skylon™ (an extremely strong yet lightweight nylon), with spring hinges for a comfortable fit, fully polarized, and offer 100% UV protection. Local Supply sunglasses are both stylish and fit for purpose, on and off the beach.
