Aquatics in W.A, December 19, 1941

MEMBER ON H.M.A.S. SYDNEY

It is with regret we learn of the loss of the Sydney, amongst the crew being an old member in Petty Officer Dave Williams, who joined the club when it was founded, and stayed with it until he joined the R.A.N. about 7 years ago. He had been on the Sydney for about five years, and was one of the few men to be on her since the outbreak of war. As a member of the club he was very active, being one of the best runners at the time. He is survived by a widow and one child. To his family and relatives we extend our sincere sympathy.

Aquatics in W.A. March 6, 1942

During the past few week-ends, the members of the club have had the pleasure of seeing some of the old and original members of the club. We say old, but they are still very young. One of them to be seen down here a couple of Sundays ago was a Tobruk veteran in Tom Batson. Although his leg is in plaster of paris he is still the same old Tom. He left this club about three or four years ago to go to Kalgoorlie on the mines, and from there joined the A.I.F., leaving the State about 18 months ago. After continuous training overseas he went with his battalion into Tobruk. The first time his company went on patrol a mine blew up killing several. Tom was both lucky and unlucky to get his leg smashed about, and so he returned home, and the whole club hope it will not be long before he is his old self again. Tom was one of the best and strongest swimmers in the club in his time, as was his brother Doug who has also been seen down at the beach. Doug is in the R.A.A.F., stationed at Geraldton. It is a few years now since Doug swam in the races. -

We end our congratulations to an ex-secretary in Roy Kemp, who entered the matrimony stakes last week. Owing to leave being unattainable Roy was married in Adelaide where he has been stationed for some time in the R.A.A.F.

Aquatics in W.A. March 20, 1942

It is with regret we hear of the loss of two Australian warships, "Perth" and "Yarra." On board the "Perth" were two members of this club. This is the biggest loss the club has suffered at once. One of the missing men was Jim Lynam, who had shown himself to be a brilliant swimmer, having won nearly every cup event at least once since joining the club. He was an all weather swimmer and a very good member, both socially and actively. Let us hope for his own, his mother's and his club's sake that he was able to swim to safety.

We also hope the same of George Ward who was also an excellent member and a particularly good runner. To the parents and relatives of both members we send our deepest sympathy and trust that better news will follow.

Also on board the "Perth" was an old member in Charlie McCosker. He will be remembered by many old members at present serving overseas.
